EDUCATION

- ❖ Bachelor Of Computer Application | CCS University, Meerut (Jul 22 - Aug, 25)
- ❖ XII (up Board) | S.S.D Inter College Ghaziabad (2022)

EXPERIENCE

- ❖ **Java Full Stack Trainee – QSpider Training Centre (Aug 04 - Present)**
Completed hands-on training in Core Java, Advanced Java, and MySQL with a strong focus on object-oriented programming and database management. Worked on practical assignments and mini-projects involving backend logic, JDBC connectivity, and application development concepts. Gained experience in writing clean, efficient code and understanding real-world software development practices.

PROJECT

- ❖ **Student Management System (CRUD Application)**
Developed a CRUD-based web application using **JDBC and Servlets** to manage student records with database connectivity and form handling. Implemented insert, update, delete, and search operations using MySQL.
- ❖ **Employee Management System using Hibernate & JPA**
Built a backend CRUD application using **Hibernate ORM and JPA** for efficient database interaction. Designed entity classes, performed mapping, and handled data persistence with MySQL.
- ❖ **Weather Application**
Developed a responsive weather application using React.js that fetches real-time weather data from a public API and displays temperature, humidity, and location-based forecasts. Implemented API integration, dynamic UI updates, and error handling for a smooth user experience.

SKILLS

- ❖ Full-Stack Web Development
- ❖ Core Java & Advanced Java Concepts
- ❖ Object-Oriented Programming (OOP)
- ❖ Data Structures and Algorithms (DSA)
- ❖ JDBC, Servlets (Backend Development)
- ❖ Hibernate & JPA (ORM Framework)
- ❖ MySQL Database Management

ACHIEVEMENTS

- ❖ Earned a participation certificate in GFG HackFest Hackathon (2024), showcasing problem-solving and teamwork in a competitive coding environment.
- ❖ Successfully completed an internship certification, gaining hands-on experience with real-world development practices and project workflows.

HOBBIES

- Listening to Music
- Reading Books
- Playing Cricket
